Head Teacher's Message	enthusiasm for wonderful.	What a bustling week we've had! Our pupils have shown tremendous spirit, participating wholeheartedly in Poppy Day, Odd Sock Day and Children in Need. Their these important causes is	
	biscuits. Well do Year 2 ventured	l outdoors for an exciting compass lesson, embracing hands-on learning in	
	nature. It's wonderful to see our young explorers navigating their way through new skills. Meanwhile, Year 5 delved into the world of square numbers, tackling complex maths concepts with admirable determination. Their progress is truly impressive. These moments of learning, discovery, and community spirit make St Thomas a vibrant place of growth. I'm immensely proud of our pupils and staff for their continued dedication and achievements.		
Collective Worship	This week, we discussed Remembrance Day and the poppy as a symbol of hope. The children respectfully joined in the 2-minute silence.		
Anti-Bullying Week	The children have all completed work and class discussion based around anti bullying.		

We are also now collecting donations for our Christmas raffles and would be grateful for good quality (as new) toys and gifts, and bottles of any kind (toiletries, sauces, alcohol, non-alcohol) for our bottle stall. Bring them along to school.

Reception have enjoyed their learning based on Goldilocks and the 3 bears. We have been enjoying the dry Autumn weather so have done lots of outdoor learning this week. We enjoyed the construction area where we built beds, chairs and houses for the bears. We also enjoyed the curiosity area where we were filling, scooping, pouring and emptying different containers with porridge

This week the children have had great fun using the new Robot Mice as part of our Computing lessons.

In Year 3 this week we have started to read 'Stig of the Dump' by Clive King. On Monday we thought what it would have been like to fall through the creepers by the chalk pit. We visited Stig's cave, listened to the sounds he may have heard and looked at his home and the things he'd collected.

Year 5 This week in Year 5, we have been looking at how to calculate squared and cubed numbers. Firstly, we used unifix cubes to help us to understand what squared and cubed numbers. Firstly, we used unifix cubes to help us to understand what squared and cubed numbers. Firstly, we used unifix cubes to help us to understand what squared and cubed number are. We then used this knowledge to work on fluency and then onto reasoning and word-based problems. Year 6 This week in Year 6, we began our new music theme. Classroom Jazz. We listened to the music carefully and discussed its history, the artists, and the emotions the piece conveyed. Using this understanding, we followed along with the notes on glockenspiels, playing in time with the song. Home Visits To ensure the safety and well-being of all our students, home visits are a key part of our attendance procedures. Horne Visits • Day 1 Home Visit: If a child is absent from school and we do not receive any communication from the family explaining the reason for the absence, a member of our saff will conduct a home visit on the first day of the unexplained absence. This is to confirm the child's safety and to offer any necessary support to the family. • Day 1 Home Visit: Safety and to offer any necessary support to the family. • Day 3 Home Visit: Safety and to offer any necessary support to the family. • Day 3 Home Visit: Safety and to offer any necessary support to the family. • Day 3 Home Visit: Safety and to offer any necessary support to the family. • Day 3 Home Visit: For all absences, even those with an initial reason provided, we will conduct a home visit on the third consecutive day of absence. This i

Home Visits To ensure the safety and well-being of all our students, home visits are a key part of our attendance procedures. Here's how it works: • Day 1 Home Visit: If a child is absent from school and we do not receive any communication from the family explaining the reason for the absence, a member of our staff will conduct a home visit on the first day of the unexplained absence. This is to confirm the child's safety and to offer any necessary support to the family. • Day 1 Home Visit: For all absences, even those with an initial reason provided, we will conduct a home visit on the third consecutive day of absence. This is to ensure continued support and to check on the child's well-being. These home visits are in line with recommended good safeguarding practices and are consistent with policies followed by other local schools. Our goal is to ensure every child's safety and to maintain clear communication with families. Thank you for your cooperation i helping us keep our school community safe. Attendance Each day in school builds valuable skills, knowledge, and connections that help students thrive academically and socially. Consistent attendances trengthens routines, bobotts learning, and supports a positive school experi	Year 4	this week. We looked at different types of maps in an atlas and understood what different things we can learn from physical and political maps. We used these maps to find different features such as lakes and
