Message

So long, farewell it's time to say goodbye.....

This newsletter is a bit different:

As we reach the end of another school year, I am filled with a sense of pride and gratitude for the achievements and growth we have witnessed within our school community.

I want to commend our students for their hard work, resilience, and dedication.

To our parents and families thank you for your support and partnership. Your involvement and encouragement have been vital in ensuring that our students thrive both academically and personally. We value your contributions and look forward to continuing this collaborative journey in the coming year.

Our dedicated staff deserve a special mention for their tireless efforts and commitment to providing an exceptional educational experience. Their passion for teaching and nurturing each student's potential has been evident in every lesson and interaction.

We are fortunate to have such an outstanding team of professionals.

Have a wonderful summer.

Year 3

Year 3 has been and gone and here we are on a lovely summer day thinking how quickly it seems to have flown by. The children should be proud of the work they have put in at the start of Key Stage 2, they have laid strong foundations to build on and achieve great success in the future.

Have a lovely summer break, rest and recharge and come back ready for Year 4.

Year 4

Year 4, what a year it has been! You have astounded us with your determination and perseverance. We are so proud of the young people you are becoming and, although we will miss you all very much, we know that you will make your Year 5 teachers just as proud. Now it's time for a rest, go play, have fun and enjoy your summer break.

Year 5
